

Health for All

Established in 1991, Health for All is a Leeds based charity which believes in and works towards a society free from inequality, poverty and isolation. We build communities and facilitate real change in people's lives. Our vital services work across generations, cultures and ethnicities to bring people together to achieve healthier, happier lives. We deliver a range of services and projects from our six community, family and enterprise centres located within the hearts of local communities in the city. Our approach is innovative, collaborative and flexible, always responding to need.

Health for All has recently been successful in continuation funding to deliver Breastfeeding Support, commissioned by Better Start Bradford initially until March 2022. Better Start Bradford is funded by The National Lottery Community Fund with the aim of providing accessible, responsive Breastfeeding Support in the Better Start Bradford delivery area including Bowling & Barkerend, Bradford Moor and Little Horton.

We invite applications for the following posts

BREASTFEEDING SUPPORT WORKER/COMMUNITY DEVELOPMENT WORKER (Ref: 221)

The aim is to support mothers to achieve their own choices and goals, through a structured intervention delivered over minimum three sessions within their own homes or a place in which mothers feel comfortable. The role will focus on engaging with new mothers, fathers and wider family offering them practical support to overcome any challenges the mother may face to breastfeeding.

Hours: 30 hours per week: Days and hours to be discussed at interview

Salary: Full Time Equivalent £18,842.46, Actual Salary per annum £16,146

To find out more and apply for any of these vacancies please visit our website www.healthforall.org.uk and download the application pack.

CV's are not accepted

Closing date for applications: Friday 16th July 2021 at 12 noon
Interviews: Friday 23rd July 2021

Health for All is committed to safeguarding children, young people and vulnerable adults and successful applicants will be subject to an enhanced DBS check.
