

Established in 1991, Health for All is a Leeds based charity which believes in and works towards a society free from inequality, poverty and isolation. We build communities and facilitate real change in people's lives. Our vital services work across generations, cultures and ethnicities to bring people together to achieve healthier, happier lives.

We deliver a range of services and projects from our six community, family and enterprise centres located within the hearts of local communities in the city.

We are currently looking for drivers on a sessional basis to join our Community transport team.
